DAY 1: NAIROBI - OL PEJETA CONSERVANCY

Today, you will awake to the exotic birdcalls in a magical new world with the whiff of Kenyan serenity. We will meet at 7:00am for a safari briefing before we take a drive to the famous Ol Pejeta Conservancy. We will arrive at camp with enough time to settle in before lunch with a little time to relax before we head out for our first game drive between 1500hrs to 1830hrs. Host to all the members of the 'Big Five' (elephant, rhino, lion, buffalo and leopard), the conservancy has a higher wildlife-to-area ratio than any Kenyan national park and is one of only four private game conservancies to have been founded in Kenya. At the forefront of the Kenyan conservancy program, the conservancy boasts the largest black rhino sanctuary in East Africa, hosts the only chimpanzee sanctuary in Kenya, and shelters large

numbers of rare and endangered species. Your luxury camp is a sheltered oasis, clustered around a water hole and set in the pristine calm of the private Ol Pejeta Conservancy; Sweetwaters Serena Camp offers a charming blend of under-canvas ambiance and Kenyan safari luxury.

We will arrive at the lodge with enough time to settle in before lunch with a little time to relax before we head out for our afternoon game drive between 1600hrs to 1830hrs. Lake Nakuru National Park offers you a rare insight into Kenya's most diverse flora, fauna and wildlife and is famous for its huge flocks of pink flamingoes. The birds throng on Lake Nakuru itself, one of the Rift Valley soda lakes that comprises almost a third of the park's area. More than 450 species of birds have been recorded here as well as a rich diversity of other wildlife. Lions, leopards, warthogs, waterbucks, pythons, and white rhinos are just some of the animals you might see, and the landscapes range from sweeping grasslands bordering the

lake to rocky cliffs and woodland. The park also protects the largest euphorbia candelabrum forest in Africa.
